

MATCHING GIFTS & VOLUNTEER HOUR MATCHING

MULTIPLY YOUR IMPACT THROUGH EMPLOYER MATCHING

Many employers offer matching gift programs that can double or even triple your contribution to the Dynamic Urban Opportunities Foundation. If you have donated to DUOF—or volunteered your time through our community service projects—you may be able to increase your impact at no additional cost.

These programs are one of the simplest and most effective ways to support our annual scholarships, youth leadership programs, Our Annual Library Tea, and our ElevateHer Expo.

DONATION MATCHING

If your employer offers a charitable matching gift program, they will match your donation dollar-for-dollar (and sometimes more), multiplying the impact of your gift in the community.

HOW TO INITIATE A MATCHING GIFT

1. Contact your Human Resources or corporate giving team to confirm that DUOF is eligible for your company's matching program.
2. Submit your donation and complete your company's matching gift form.
3. Your employer will send the matching funds directly to DUOF.

VOLUNTEER HOUR MATCHING

Many companies—including Microsoft and others—offer programs that provide a financial donation to nonprofits based on the number of hours their employees volunteer.

This means that the hours members of Delta Upsilon Omega devote to community service may qualify for matching funds that benefit DUOF.

HOW VOLUNTEER HOUR MATCHING WORKS

1. Log your volunteer hours through your employer's giving portal.
2. List Dynamic Urban Opportunities Foundation (EIN: 20-4565591) as the beneficiary.
3. Your employer may donate a set dollar amount per volunteer hour.
4. DUOF receives the matching contribution once your hours are verified.

If you need verification of volunteer hours connected to DUOF programs, email us at DUOFINCORG@gmail.com.

WHAT VOLUNTEER ACTIVITIES MIGHT QUALIFY?

Eligibility varies by employer, but activities often include:

1. Chapter-led service connected to DUOF programs (e.g. CHIPP Packing Parties, shopping, & drop off)
2. Scholarship interviews or program support
3. ElevateHER Expo planning or day-of support
4. Community initiatives where DUOF is the charitable beneficiary

If you're unsure whether your activity qualifies, check with your employer's HR department.

WHY MATCHING MATTERS

Matching gifts—both financial and volunteer hour matching—help strengthen DUOF's ability to provide:

- Scholarships for high school graduating seniors
- Power Pack support for elementary students
- Youth leadership programming
- Economic empowerment initiatives for women
- Literacy and cultural engagement at Douglass-Truth Library
- Community-centered events like the Elevate Her Expo

Many of our supporters multiply their impact through employer matches each year. You can too.
